General Insurance

The Crotty Group was established in 1994. The firm specialises in Corporate Insurance Broking and Consultancy Services.

The Crotty Group, align themselves with Clients that seek a Professional Broking Partner for the arrangement and management of their risk portfolios.

We hope that by setting out the way we do business, that this will give you, the Client, an understanding of our values and will assist you in deciding that we are the right Insurance Brokers for you.

The Crotty Group Way

We Believe in Results

We are a results driven organisation. Our prime goal is to provide an insurance programme which performs by providing Premium Savings, Reduced Risk and Satisfactory Claims Outcome.

We are Partners

We get to know our Client's business by working in partnership with them and by interacting with them across various levels. In this way we develop a good understanding of the risks and how they should be offset by a structured insurance programme.

We Listen

We listen to our customers and design insurance covers around their particular needs.

We Believe in Innovation

We constantly look at developing alternative methods of protecting our Clients' interests. We think ahead to anticipate possible issues and develop solutions to exceed Clients' expectations.

We are Professional

We act in an open, honest and transparent way for our Clients. Our Clients are held with great respect and their risk issues are confidential. The Client's best interest is always a fundamental part of The Crotty Group Way.

Services

Our services are structured to achieve identification of Client's Risk which is then matched with the appropriate insurance policy coverage. We believe that our services should be delivered on time and that most importantly claims are efficiently and satisfactorily concluded.

Claims

We do not step back but forward when it comes to handling serious event claims in the full knowledge that the Claims Process can be quite stressful for our Clients. We are our Client's Advocate and we guide and advise them through the entire Claim Process.

The Insurance Markets

The Crotty Group are constantly investigating new Insurance Markets and Insurance Product Innovations.

Our People are Your Team

We employ people that are insurance qualified, experienced, interactive, competent and responsive. Our employees are Client focused and underpin the values of our organisation.

Global Services

We have developed key International allegiances with leading Insurance Broking Partners. We are able to provide insurance programme services for our Client on a Global Platform for worldwide activities.
